ABOUT ME

Web Developer with over two years of experience in front-end and back-end development, skilled in HTML, CSS, JavaScript, React.js, Node.js, and MongoDB. Proven track record in optimizing web performance and enhancing user experience. Experienced in leading development teams and proficient in CI/CD pipelines for efficient deployment.

WORK EXPERIENCE

Front-End Developer

VPN INFOTECH [21/10/2021 – 05/08/2022]

City: Surat | Country: India

- Developed and maintained user-friendly web interfaces using HTML, CSS, Bootstrap, Material-UI, and React.js.
- Improved website performance through optimized code and efficient resource management.
- Collaborated with backend developers to integrate RESTful APIs, enhancing the functionality of web applications.
- Assisted in setting up CI/CD pipelines to streamline the deployment process.

Web developer

Harmis Technology [01/09/2022 – 10/10/2023]

City: Ahmedabad | Country: India

- Led a team of developers to create and deploy scalable web applications using React.js, JavaScript, Node.js, and MongoDB.
- Implemented responsive web designs that enhanced mobile user experience.
- Enhanced code quality and performance through regular code reviews and adherence to best practices.
- Developed server-side logic with Node.js and managed databases with MongoDB, ensuring efficient data handling.
- Established and maintained CI/CD pipelines for continuous integration and delivery.

EDUCATION AND TRAINING

Masters of Artificial Intelligence

IU International Universities of Applied Sciences [01/03/2024 – Current]

City: Berlin | Country: Germany | Website: <https://www.iu.org/en-in/>

Bachelor of Engineering

Mahavir Swami College of Engineering and Technology [2017 – 2021]

City: Surat | Country: India | Website: <https://www.bmusurat.ac.in/> | Field(s) of study: Computer Engineering | Final grade: 7.48 CGPA

LANGUAGE SKILLS

Mother tongue(s): English

PROJECTS

URBANKARS I leverage **React.js** for dynamic and responsive frontend development and **Node.js** for robust backend infrastructure. **MongoDB** serves as the backbone of the database, ensuring efficient data management and scalability. With expertise in these technologies, I craft high-performance, feature-rich web applications tailored to meet diverse automotive needs.

MEDICALMARKETING With **Gatsby** as our technology of choice, our platform facilitates the creation of medical marketing websites seamlessly supporting English and Spanish languages. This bilingual functionality ensures accessibility and engagement for diverse audiences, optimizing user experience.

DIGITAL SKILLS

FrontEnd: HTML, CSS, JavaScript / React and React Redux / Devops: Docker, Jenkins / Node JS (Express.js and MongoDB) / Version Control System (Git) / Server, Domain, Host and Webpage Management (NameCheap, domain.com, GoDaddy, cPanel)

HOBBIES AND INTERESTS

Leisure Time and Hobbies:

- Coding Projects
- Fitness (Jogging, Yoga, Strength Training)
- Travel
- Learning New Technologies

SOFT SKILLS

Essential Soft Skills for Working Student Positions

1. Communication
2. Leadership
3. Analytical
4. Teamwork
